

## Banquet file

# Hollywood Media Hotel

Whether it be „Council of the Gods“ or „Congress Dance“ at the Conference Hotel...

... you can experience what we consider to be „Modern Times“ in nine conference rooms and **in-house cinema / auditorium** with natural light illumination whose state-of-the-art multi-media equipment will convince you. We offer meeting space for 10 to 500 people. Our largest conference room has a capacity of total 220 persons (theatre-style seating). „Some Like it Hot“ - but naturally, all the rooms are air conditioned.

Our trained convention team will take care of your every wish from the first moment on. We can satisfy every one of your requirements with different day packages. During the coffee break in the foyer and amongst the various film props, you will feel like you are on a Hollywood filmset.

Close off a successful meeting with a delicious lunch or dinner buffet in the „**Bel Air**“ restaurant.

For any sort of event – whether a congress or a business event – the film hotel offers an exclusive setting and the appropriate ambience.

## „Certified Conference Hotel“

In October 2008 the Business Travel Association of Germany (VDR) decorated the Hollywood Media Hotel as “Certified Conference Hotel”. This certificate represents a binding standard for conference hotels and enables travel managers to navigate with ease through the range of suitable conference destinations.

The certificate includes a strict inspection based on seven categories and a multitude of obligatory criteria:

- conference area
- catering
- professional event management
- information material
- quotation and confirmation procedure
- billing processes
- facilities and services on offer for business travelers

## Information about allergy

The 4-Star Hollywood Media Hotel was awarded the title of Allergy-Friendly Hotel in March of 2006. The certification was carried out by the European Center for Allergy Research Foundation (ECARF) of the Charité Clinic in Berlin.

On the allergy-friendly floor we have specially equipped sleeping rooms with blank floors, mite proof covers to mattresses, blankets and pillows. Special filters in the air-conditioning units in the lobby and restaurant were some of the basic requirements for the quality seal.

Furthermore, all hotel personnel especially service and kitchen personnel are trained on the special needs of people with allergies.

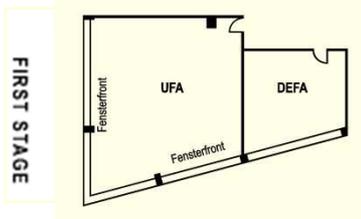

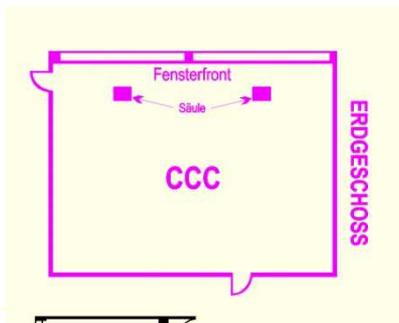

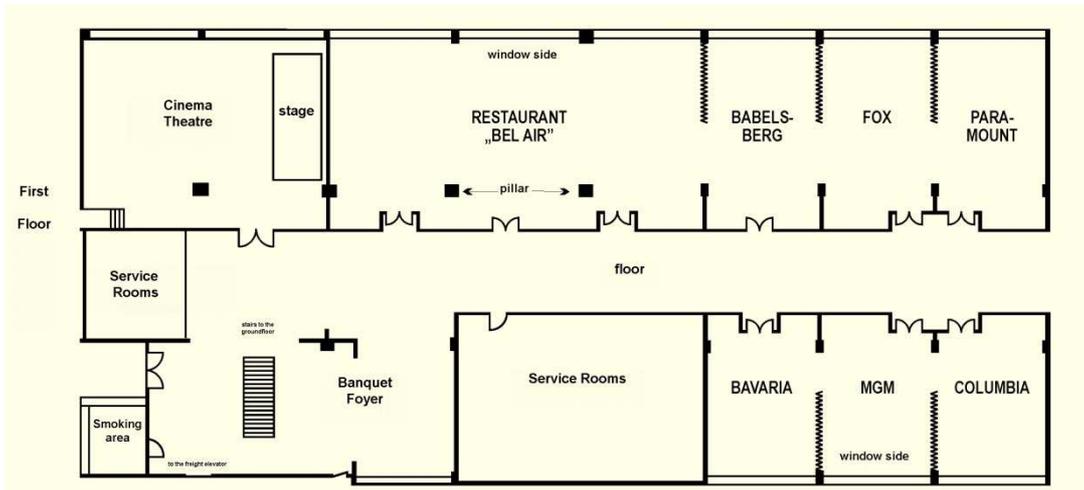

**Thus, our hotel guests with allergies can enjoy a comfortable and inconvenience-free stay.  
Please advise us of your special wishes.**
